*Now, why not take a minute
to see what other homeschoolers
have to say about
Little Hands to Heaven?*

“This is a great program to get those tender little hearts learning about God’s love.”

Michelle Nicholson -
The Old Schoolhouse Magazine

“I have been using *Little Hands to Heaven* with my two little girls for about 1 1/2 years.

They love the activities and I love the short prep. time and Biblical emphasis.”
Kari in Cedar Falls, IA

“I want to thank you for the sweetest preschool curriculum! I only wish I had known about it when my oldest was a tot.”

Melissa in Pittsburg, PA

“The kids just love to do school, and it is amazing how well they are picking up on the Bible stories, the phonics, cutting, counting, and Bible verses.

The older boys count by two’s and are starting 3’s.

We hang all of their art work on the wall, so they can tell the story of Christ from Creation on.

I just wanted to tell you how your family blessed us!”

Sandra in Sarasota, FL

“The whole curriculum is wonderful!

The most exciting part is knowing I am contributing to the learning of the Bible stories in my children.

My children were 2 & 3 when we started, and they were both able to understand the materials!

Great job Heart of Dakota!

P.S. - My kids absolutely love to do “school”!!

Thanks!”
